Mr. & Mrs. Abe Manley

Dear friends: Could you please oblige our Hot Stove Baseball Old Timers Semi-Pro. Club with a few group photos of the Eagles with the names on the back of the photo. These photos are framed and hung on the wall of c lub, for the members to gaze upon their favorite ball players. We are all followers of the Negro National League Clubs so we are sure of seeing a bang up ball game when there are N.N.L. teams playing. Please let us have as many old or new group photos you can spare especially 1942-41-40 or anything you can spare
ours,

Hoping you'll oblige us
